

# Day Skipper and Boatmaster Students

2018

## 2018 On-Water Evenings

**An exclusive opportunity for our previous and existing Day Skipper and Boatmaster students to come aboard Coastguard Auckland's 18 metre (60') ASB Rescue for a professionally guided trip on the harbour.**

During the evening we will apply some of the material covered in your course in the most practical environment possible.

Bring along your course manual and a pen to take notes, suitable clothing (enclosed feet) and any food or refreshments you desire. (No alcohol please)

A Coastguard tutor will be pointing out various points of interest such as marks, lights, useful hints and tips as

well as local area knowledge. This informative and interactive evening will help cement the material covered in your course and improve confidence levels making your own boating safer and more enjoyable.

If most of your boating has been done during the day and you're thinking about operating at night - perhaps after an evening fish or BBQ, this trip is a must. Spaces are limited so book yours now!

### Where:

Departing from the Marine Rescue Centre

### 2018 Dates:

Thursday 22 March	Thursday 24 May
Thursday 26 July	Thursday 27 September
Thursday 22 November	

### Time:

**Depart: 19:00.** Exact return time will depend on weather conditions, general comfort and other factors. As a guide you can expect to be back at the Marine Rescue Centre between 2030 and 2130.

### Cost:

\$49.00 per person

**To book, call the Education Team:**

Phone **0800 BOATIE** (262 843)

### Terms and conditions

1. As ASB is an operational Rescue Vessel, there is a possibility she might be unavailable due to operational circumstances beyond our control. We will advise all those booked via text message and full refunds or transfers to an alternative date will be available.
2. With the above exception, places are sold on a non-refundable basis.

An exclusive  
**on-water**  
experience!

**Safety at sea begins on land**

Be prepared. Get educated.
